Twinkle Twinkle Little Star: The Classic Nursery Rhyme

Before we explore the Wiggles’ version, let’s briefly revisit the origins of “Twinkle Twinkle Little Star.” The poem, written by Jane Taylor in 1806, is one of the most recognizable children''s verses in the English-speaking world. Its simple, repetitive structure has made it a favorite for teaching rhythm, rhyme, and basic language skills to young learners.

Traditional lyrics:

1. Twinkle, twinkle, little star,
   How I wonder what you are!
   Up above the world so high,
   Like a diamond in the sky.
2. Twinkle, twinkle, little star,
   How I wonder what you are!

These lines paint a gentle image of a child’s wonder at the night sky, and the simple rhyme scheme makes it easy to memorize.
